

BOSCH
Invented for life

**Bosch
Connected
Control App**

Control all of your thermostat's settings. Adjust your schedule on-the-go or set your home to vacation mode to save energy while you're away.

Bosch Thermostats

Bosch Connected Control (BCC50 Thermostat)

The BCC50 is the newest edition of the Bosch Connected Control thermostat family, which continues to offer sleek, internet-connected thermostats with easy all-in-one control for your heating and cooling systems. It can be controlled using the Bosch Connected Control app and is compatible with most 24VAC HVAC equipment on the market.

Maximum Comfort For Less, From Anywhere!

Meet the Bosch Connected Control (BCC50 Thermostat)

The Bosch Connected Control BCC50 Thermostat is compatible with the majority of 24VAC heating and cooling equipment to help you save energy and money. Easily control your home's temperature from the intuitive interface using the 5 back-lit touch buttons, the Bosch Connected Control smartphone app or your voice with the Bosch Connected Control Alexa Smart Home Skill and your Alexa-enabled smart devices or with google assistant.

Features

-  **Connectivity**
Connect to your HVAC equipment from anywhere
-  **Auto-on Safety Control**
Keep your home safe using app alerts & auto-on feature
-  **Sleek Design with Touch Buttons**
Sleek design that will look great in your home, with 5 bright illuminated touch buttons & color screen
-  **HVAC Filter Reminder**
Get alerts when its time to replace your system's air filter
-  **Programmable**
Follows preset or user-defined schedules
-  **Compatibility**
Compatible with majority of HVAC systems (requires C-wire)
-  **Enabled Smart Devices Compatible**
Works with Google Assistant or Alexa

The Bosch Connected Control BCC50 Thermostat blends into any room by automatically turning off the backlit touch buttons when not in use and displaying only the essential temperature information on the screen.
